

Noel Neill Statue Small Brick Order Form

In 2010, the Chamber of Commerce erected a bronze, life-sized statue of actress Noel Neill as "Lois Lane" from *The Adventures of Superman* television series. Like the famous Superman Statue, the base and walkway are made up of personalized, 4" x 8" bricks. As of 2011, there are still spaces available for personalized bricks.

These bricks hold up to three lines of 13 characters, and can be personalized with capitalized alphabet and traditional punctuation. The cost of each personalized brick is \$75.

To order your brick, please print or type the characters as neatly as possible on the lines below. You may use up to 13 characters per line. (One character per space, including spaces.)
